*It is my hope that we will be able to join forces and make this one of the most successful fundraisers the Three Village Community has ever known. When you think of attire staples among our students, blue jeans immediately come to mind and SNEAKERS...Sneakers require shoelaces. Gold shoelaces (color used in childhood cancer awareness) are being sold for @ \$4.00per pair. The Sunrise Fund supports the Pediatric Oncology Department within the newly established Stony Brook Children's Hospital – part of OUR COMMUNITY.*

**Please help support this GREAT fundraiser by purchasing shoelaces to wear through the month of May.**
